Remarks

This beautiful 3-bedroom, 2-bathroom home is located in a great neighborhood and offers a perfect blend of classic character and modern updates. The kitchen, updated in 2023, features stone countertops and full appliances, including a washer and dryer that stay with the home. The finished basement provides additional living space, a dedicated laundry room, and plenty of storage. Recent updates include electrical and plumbing upgrades, two hot water tanks, furnace (2025), windows (2025) with a 35-year warranty, a partial roof replacement on the rear of the home and garage, and recently cleaned ventilation systems. Enjoy the convenience of a 1-car garage, a side patio, and a large fenced backyard perfect for entertaining or relaxing outdoors. Move-in ready and full of thoughtful updates, this home is ready to welcome its next owners!
